AUDITOR'S REPORT

To the Board of Directors
Newfoundland and Labrador Industrial

St. John's, Newfoundland and Labrador

Report on the Financial Statements

I have audited the accompanying financial statements of the Newfoundland and Labrador Industrial Development Corporation which comprise the statement of financial position as at 31 March 2011, the statement of revenues, expenses and surplus and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor's Report (cont.)

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Newfoundland and Labrador Industrial Development Corporation as at 31 March 2011, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

NEWFOUNDLAND AND LABRADOR INDUSTRIAL DEVELOPMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2011

Authority

The Newfoundland and Labrador Industrial Development Corporation (NIDC) operates under the authority of the *Industrial Development Corporation Act*. The primary purpose of NIDC is to provide long-term financing to industrial and resource-based companies. Funding is secured through various means including borrowing from the Province of Newfoundland and Labrador (Province). The affairs of NIDC are managed by a Board of Directors appointed by the Lieutenant-Governor in Council.

1. Basis of accounting

These financial statements have been prepared by NIDC's management in accordance with Canadian generally accepted accounting principles.

2. Investments

	2011 (000's)	2010 (000's)
Icewater Seafoods Inc., 35,000 Preference Shares	$ 3,500	$ 3,500

Icewater Seafoods Inc.

During 2004-05, NIDC was authorized by the Province to provide funding to Icewater Seafoods Inc. in the amount of $3,500,000 by way of a preference share investment in order to assist Icewater Seafoods Inc. in its acquisition of the Arnold's Cove seafood processing facility. These preference shares, having a par value of $100 per share, are non-voting and redeemable with annual, fixed, preferential and cumulative dividends. The Province advanced funding to NIDC for this investment, by way of two $1,750,000 grants. These grants were received in October 2004 and April 2005, with 17,500 preference shares purchased from each grant.

By Agreement dated 8 October 2004, NIDC has acquired for nominal consideration from High Liner Foods Incorporated, the previous operator of the Arnold's Cove seafood processing facility, its Enterprise Allocations, vessel designations and historic rights for Newfoundland and Labrador offshore fishing areas, as defined by the Agreement.

By separate lease Agreement, also dated 8 October 2004, NIDC leased these Enterprise Allocations, vessel designations and historic rights for Newfoundland and Labrador offshore fishing areas, to Icewater Seafoods Inc. and Icewater Harvesting Inc. This lease is for a period of twenty years at $50,000 each year and is subject to certain restrictions and conditions contained in the lease Agreement.

3. Distribution of earnings

Pursuant to Section 30 of the *Industrial Development Corporation Act*, the balance that the Minister of Finance considers to be available out of the net profits of NIDC is to be paid to the Province at such intervals and in a manner that the Minister may direct by notice to the Chairperson of the Board.

4. Related party transactions

NIDC is administered by employees of the Department of Finance. The costs of administration are paid directly by the Department. These costs are not material and are not reflected in these financial statements.

5. Financial instruments

NIDC's short-term financial instruments recognized on the balance sheet consist of cash, accounts receivable, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. There is no credit risk associated with the Corporation's accounts receivable because the accounts were collected subsequent to year end. Therefore, no allowance has been provided against these receivables.

6. Economic dependence

As a result of NIDC's reliance on Provincial funding, its ability to continue viable operations is dependent upon the decisions of the Province.

7. Income taxes

NIDC is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.
